Qualifications from EDI

## LCCI 高級商務統計證書 *Business Statistics (level 3)*

This qualification is intended for candidates who are working or intending to work in a job role that requires knowledge and understanding of statistical techniques and how they are used to extract information relating to business situations. It is also suitable for candidates who wish to progress to more advanced administrative, business and management qualifications such as the LCCI Level 3 and 4 Diplomas. Candidates pursuing the qualification should have already passed the LCCI Level 2 Business Statistics or have equivalent knowledge and skills.

### Aims

The aims of this syllabus are to enable candidates to develop:

1. A knowledge and understanding of more advanced statistical techniques
2. The ability to apply this knowledge and understanding in solving business problems

### Syllabus Topics

- Quantitative information
- Descriptive statistics
- Forecasting
- Uncertainty
- Statistical inference

### Assessment

The time allowance for the examination is 3 hours. Candidates will be required to answer five questions from a choice of eight. Candidates should cover ALL topics of the syllabus. Because of the nature of Business Statistics there is some overlap with the Level 2 syllabus, particularly on Syllabus Topics 1, 2 and 3. All questions carry equal marks and marks are awarded for correct working as well as for correct answers and for an appropriate level of accuracy.
